Please answer the questions below in two pages or less. Answers may be typed or handwritten on this application or on a separate sheet of paper.

1. Please describe why you would like to participate in the Green Streets Stewards program and any relevant experience you have (e.g. green infrastructure, community maintenance issues, tree planting, neighborhood organizing, etc.).
2. Describe the maintenance issues you would like to address in your neighborhood and some ideas you have for addressing them.
3. What are the three greatest strengths or assets of your neighborhood?
4. What are the three greatest challenges in your neighborhood?

5. Some program sessions will require a moderate amount of physical activity (i.e. weeding, digging, rockwork). Please describe any physical limitations you may have so that WMG can accommodate you.

6. Meals and snacks will occasionally be provided; please list any dietary restrictions you may have.
